Dear Mr. Bagde:

Please accept for your expeditious review and approval Administrative Amendment 03-31 to the 2003/05 Metropolitan Transportation Improvement Program (MTIP). SACOG staff has made the requested changes for the attached project using the authority delegated to staff by SACOG's Board of Directors to process technical adjustments to the MTIP.

These changes will have no impact on the region's air quality conformity nor the financial constraint of the MTIP.

Upon your approval, these changes will be effective immediately.

Thank you in advance for your prompt attention to this matter. If you have any questions or concerns, please contact Jason Crow at jcrow@sacog.org or by phone at (916) 340-6219.

Sincerely,

MARTIN TUTTLE
